Books that are posted here for review may be checked out, despite being reserve books. Sign them in and out both here and on your normal sheet. Read the book and write a review: your review should include things like: what sort of book is this and who would enjoy this book, rather than trying to assign a numerical rating.

When you're done, email the review to kvetchcomm@mit.edu

Reviews will be posted on the MITSFS review pages:
